Information on the PHDL COVID-19-action plan:

The health and well-being of our students are our highest priority, and we are continuing to keep a close eye on the development of COVID-19 in Austria and abroad. Currently, the situation seems well under control, so the PHDL intends to offer in-person tuition on campus in the winter semester 2020. We will therefore, happily accept students from abroad, provided travel between the two respective countries is possible.

However, in these uncertain times, we would like to offer the possibility of *blended mobilities*, in order to cater for the students' needs in the best possible way. These enable students to spend as much time in Austria as possible, in combination with distance learning from home, should the necessity arise.
