

Englisch in der Vorschule:

“Who is it?”

He's big and cold.

His broom is **brown**.

His hat is **black** and old.

His nose is **red**.

His eyes are **black**.

His name is Jack!

“A snowman”, shouted the kids and laughed;))

Together we built a snowman and learned the rhyme.

And because it is winter time and so cold outside, we dressed up our snowman.

He put on a woolly hat instead of his black and old one.

He put on a scarf.

He put on a pair of mittens.
