

# DIGI Like- digi.LIKE – Digital learning in hospital schools

## **Topic/Object of Research/Project/Cooperation**

Experts examine necessary improvements and simplifications in digital collaboration. This is followed by the publication of easy-to-implement instructions and methods for everyday practice in schools and hospitals.

## **Project Description**

The Erasmus+ funded project digi.LIKE aims to find lasting improvements for digital learning in hospital schools as well as for establishing a network between the hospitals and the sick pupils' schools.

## **Duration**

2019 – 2022

## **Participating Partners (teachers and students)**

Private Pädagogische Hochschule Diözese Linz, Institut Medienbildung, Dothanschule für Kranke - Bethel – Bielefeld, Heilstättenschule Linz, Deutsch - Bulgarisches Bildungszentrum (DBBZ)

## **Project Lead**

Ralph Thalgutter

## **Participating Persons PHDL (Individuals, Institutes)**

IME: Michael Atzwanger, Birgit Zauner

## **Coordinating Organisation**

Institut für interdisziplinäre Bildung, Linz

## **Contact Address**
